REPLY TO  
ATTENTION OF

REGULATORY DIVISION

Refer to: P/N 2001-1E-179- (Modified) (Revised)

June 29, 2007

JEFF BILLINGS

To modify an existing dock structure in the Jeremy Creek, Charleston County, South Carolina.

The public notice for this project incorrectly stated that the applicant intended to construct a new 3' x 15' cat walk that would give access to the proposed boat ramp. The modification should have read that the new 3' x 15' cat walk would give access to a proposed boat lift.

All other information regarding the public notice remains the same.
